

But Martin read in God's Word about God's plan. His plan was to send Jesus Christ, to die on the cross. Jesus died to clean up our dirty sin, and give us clean hearts, he also resurrected (became alive again!) and WON against death and sin! Because of Jesus' death and resurrection, God forgives us for all of our sin, and gives us his Word (The Bible) to tell us all about who God is, and what Jesus did, and how we can believe in him.
